MR. A E ARNTZEN

Newcastle Branch of D.T.C. and L.U.D.O. High Society

THE CHAIRMAN SPEAKING,

I have received a letter from the Manager of the Andoya Branch and I am delighted to hear that he fully recognizes my thoughts about last years terrible scandal tournament.

Since the Managers of Andoya Branch, The Benak Branch and the Alta Branch are meeting in February I thought I would make a firm proposal for this joint meeting of executives. I quote myself:

" During the 35 th Official Easter Winter Camp at Lesjaskog 1978 there will be a re-play of last years competition. Mr. I¹/₂ Dahl will be expelled from the competition unless he spends at least 8 days at the campsite in a tent, preferrably the Green."

In my absence I entrust my precious vote to the joint meeting and believe that such a recommendation should be voted for an block so that we for now and ever can repair the damage our self-conscience has suffered through the treathrous Mr. I. Dahl.

I do wish all Managers of all Branches well, and beg your pardon for my absence for which I can only blame the Brithish Government.

Manager Mortensen asked a specific question about my presence at this years winter camp, and I am happy to inform you all, that His Highness, ex- camp director Standal will be present at this years camp. Her Royal Majesty the Queen has released me from my present contract so that I and my court will arrive at camp as planned.

I do hope that all managers will be able to attend, so that we can have a full meeting at our beloved Head quarter near Lake Lesjaskogsvann.

Do not forgett our motto: " Hvor mange dusker har du da Idar Dahl ?"

Hope (and demand) a return by post of your letters, since only the manager of the Andoya Branch has acknowledged receipt of my first letter

Yours faithfully,

Kjell Standal
